

| No                            | Code  | Description              |
|-------------------------------|-------|--------------------------|
| <b>Course 10 2.2 km 115 m</b> |       |                          |
| 1                             | (191) | Pond (W side)            |
| 2                             | (172) | Fence                    |
| 3                             | (171) | Path junction            |
| 4                             | (167) | Path/stream jct (N side) |
| 5                             | (163) | Middle stream bend       |
| 6                             | (161) | Vegetation boundary      |
| 7                             | (166) | Gully                    |
| 8                             | (181) | Re-entrant               |
| 9                             | (177) | Re-entrant               |
| 10                            | (194) | Path junction            |
|                               |       | Finish 120 m             |

|                              |       |                          |
|------------------------------|-------|--------------------------|
| <b>Course 11 1.8 km 65 m</b> |       |                          |
| 1                            | (195) | Path junction            |
| 2                            | (191) | Pond (W side)            |
| 3                            | (172) | Fence                    |
| 4                            | (171) | Path junction            |
| 5                            | (167) | Path/stream jct (N side) |
| 6                            | (196) | Bridge (S end)           |
| 7                            | (180) | South Path junction      |
| 8                            | (179) | Clearing                 |
| 9                            | (194) | Path junction            |
|                              |       | Finish 120 m             |

|                              |       |                     |
|------------------------------|-------|---------------------|
| <b>Course 12 1.3 km 40 m</b> |       |                     |
| 1                            | (195) | Path junction       |
| 2                            | (199) | Path junction       |
| 3                            | (202) | Path junction       |
| 4                            | (176) | Path junction       |
| 5                            | (173) | Path junction       |
| 6                            | (180) | South Path junction |
| 7                            | (179) | Clearing            |
| 8                            | (193) | Path junction       |
| 9                            | (194) | Path junction       |
|                              |       | Finish 120 m        |
