

Flanshaw (Wakefield) Details

The start and finish are by Grasmere Road playing fields the start being at the junction of Grasmere Road and Eskdale Road. There is a small car park by the playground which is on the right hand side soon after turning into Grasmere Road from Batley Road. This generally seems to be almost empty unless there are any football matches or training. If the car park is full there are plenty of residential streets nearby but please park considerately.

What Three Words.....scope.park.ideal

Fairly close post code.....WF2 9HF

<https://streetmap.co.uk/map.srf?x=431364&y=421240&z=0&sv=wf2+9hf&st=2&pc=wf2+9hf&mapp=map.srf&searchp=ids.srf>

As with all urban areas there will be roads to cross most of which are reasonably quiet but there are a couple that can be busy (one being on the short course) so please take care.

The map is the pseudo open orienteering map so please be aware that it may not be as accurate or have the same features as a standard orienteering map. I hope that the routes likely to be used are reasonably mapped. The medium and long courses have some legs on rough open land which may be quite wet and boggy. All courses also go across the playing fields which could also be wet. The map scale is 1:7500.
