

Organisers Comments

Well, what a lovely day. Slightly overcast, but warm with a gentle breeze - perfect orienteering weather, and the woods looking their best with the bluebells in full bloom. Thank you to everyone who came along and I hope you all enjoyed your runs. From the comments I heard, most people had a good time and felt suitably challenged by Gilly's courses. It was lovely to see some young first-timers and families on the White course and I hope we will see them again at future events. The day didn't go without a few hitches - we were all relieved when the toilets finally arrived but on the whole things went well and feedback was positive. Huge thank you to the helpers who all did an excellent job as well as to Mike P for delivering the kit, Jackie for programming the SI boxes, John for dealing with the entries and David for adding and amending all the details on the website.
