Pre enter here where further details are provided

Orienteering is an adventure sport. A comprehensive risk assessment for the event has been prepared and identified risks have been mitigated, however please be aware that participants take part at their own risk and are responsible for their own safety during the event. Please be careful of crossing cobbles, flagstones, uneven surfaces, steep slopes, steep steps, etc. that may be on some courses. Parents are responsible for their children, under 16s MUST be accompanied by a responsible adult. Advice is available on request about what courses may be suitable.
