Cross out for each entry. Competitors may enter any course but recommended courses and full details on front of car. Ref to in bags simply that late starters may get photocopied map - but still good quality. If you run out on a course, advise competitors that if they can get a map from a finishing competitor, they can have a run and we'll knock the £1 eod fee off but must not look at the course before they start. Orange and Yellow start is just under 1 km along road to west. All other starts just under 3 km along road to west.
